Champlain Valley Quilters' Guild

Free Motion Quilting Patterns: *One Day Workshop*
Carol Taylor (http://www.caroltaylorquilts.com)
Date: October 8, 2008 Time: 9am-3pm
Cost: $35 Location: Yankee Pride

If you have not had a chance to take Carol's free motion stitching class, do try to sign up as it continues to fill each time it is offered. I guess everyone wants to be able to machine quilt and get things done more quickly! Carol will teach 12-15 quilting design patterns for you to try and go over many of the techniques in the various books teaching free motion quilting. This is a hands-on class to learn and practice these fast new ways of quilting and embellishing your quilts by machine. Learn to do decorative stitching with those metallic and rayon threads! Machines need only have a straight stitch to do these designs. And even the students who've had very little quilting experience are successful using these methods. You'll be able to give your quilts a unique flavor, style, and sparkle in no time using these methods – and get all of those unfinished tops quilted quickly!

Registration begins at the June meeting. After the June meeting registration forms will be taken by mail – first-postmarked, first-served. For a copy of the supply list, you may email programs@cvqvt.org or pick one up at the meeting.

Champlain Valley Quilters' Guild – Workshop Registration
